## SELF-REFLECTION ON THE TEST

---

Reflecting on my 16 Personalities test result as a Campaigner (ENFP-A) with specific trait splits—69% Extraverted, 77% Intuitive, 51% Feeling, 53% Prospecting, and 57% Assertive—provides deeper insight into my experiences and actions at IIT Madras. My extraversion (69%) is evident in initiating and promoting a culture of societies, including founding the first music society for my degree. This trait fuels my energy in social settings and my ability to lead and inspire others.

My strong intuition (77%) is reflected in my visionary approach to organizing 28 major cultural events and managing over 1000 people, demonstrating my knack for seeing the bigger picture and bringing innovative ideas to fruition. With a balance of feeling (51%), I value emotional connections and empathy, which are crucial in my musical pursuits and collaboration with a music label.

The prospecting trait (53%) shows my adaptability and preference for flexibility, allowing me to manage multiple responsibilities and embrace new opportunities. My assertiveness (57%) boosts my confidence in taking initiative and making decisions, ensuring that I can effectively lead and inspire others.

## STRENGTHS AND WEAKNESSES

---

### Strengths:

- **Curious and Innovative** (77% Intuitive): My drive to start new societies, organize cultural events, and work on real-world generative AI projects demonstrates my curiosity and ability to bring fresh, innovative ideas to life.
- **Energetic and Enthusiastic** (69% Extraverted): Leading large-scale events and participating in various activities showcases my high energy and enthusiasm, which are contagious and inspiring.
- **Empathetic and Compassionate** (51% Feeling): My involvement in music and cultural activities highlights my empathy and ability to connect with others emotionally.

### Weaknesses:

- **Overly Idealistic** (77% Intuitive): My strong intuition and visionary approach can sometimes lead to unrealistic expectations and potential disappointment.
- **Burnout** (69% Extraverted): Taking on too many responsibilities at once might lead to stress and burnout if not managed properly.
- **Struggle with Routine** (53% Prospecting): While I thrive in dynamic environments, I might find routine tasks and long-term commitments challenging to maintain.
